

AARP Smart Driver Program

Friday, September 11th, 2015

10:30 a.m. to 3:30 p.m.

Newton Senior Center

The Newton Senior Center is proud to host the AARP Smart Driver Program. AARP has offered safety refresher courses since 1979 to more than 11 million graduates. The aim is for older drivers to better understand the updated technologies in new vehicles, provide a refresher on the rules of the road, and learn strategies to compensate for age-related challenges in vision, hearing, or response time. There is no test to take and no actual driving, and a certificate of completion will be awarded to each participant.

**Register with Ilana Levine
at 617-796-1670. \$15 for
AARP members and \$20
for non-AARP members.**
